

# Comprehensive Marine Services for Commercial & Naval Ships

## About Singapore Food Industries Limited

Singapore Food Industries Limited (SFI) has grown to be a leading integrated food company in Singapore, drawing synergies from its various businesses since its incorporation in 1973. SFI is focused on meeting changing consumer needs driven by changes in lifestyle and demographic patterns.

SFI's three core businesses are:

- Food Distribution
- Food Preparation, Manufacturing & Processing
- Abattoir & Hog Auction

Besides Singapore, SFI has established a significant presence in The United Kingdom and have even made forays into The Republic of Ireland, China and Australia.

Singapore Food Industries' Ship Supplies Department offers a comprehensive range of value-added marine services for commercial and naval ships. Our dedicated team of experienced technical marine purchasers, logistics personnel and boarding officers ensures timely, professional and round-the-clock service at competitive prices, fulfilling all the needs of ship owners and ship managers around the globe.

Through the direct import of most products, SFI is able to consistently supply fresh and frozen food that are subjected to strict QA inspections at very competitive prices. We also supply various quality marine items such as engine equipment and spares, and other ship provisions. Our expertise also includes warehousing and transportation services, and the arrangement of agency services, such as husbandry and bunkering. In addition, a team of qualified divers with vast experience stands ready to carry out all types of marine and underwater work. The SFI team is committed to bring our customers in the marine industry reliability, the best customer care, and a wide range of cost saving benefits.
